Dear Mr. Shah:

We are pleased to inform you that your firm continues to meet the eligibility criteria and has been recertified as a member of the Chicago Minority Business Development Council, Inc.

Membership is granted annually and means that your term is effective through March 31, 2008. It is the obligation of your firm to apply for recertification before your certification expiration date. In the interim, it is your responsibility to notify CMBDC of any change in the status or operation of your company that might result in disqualification. Your company's participation in other areas requires certification.

We would like to take this opportunity to thank you for your cooperation in our recertification procedure which, we feel, will strengthen the Council's programs to assist your firm in its efforts to market to major corporations in Chicago and nationally.

Sincerely,
