Dear Mr. Shah:

We are in receipt of your City of Chicago Certification material as a Protected Class Enterprise ("PCE").

The result of our review concludes that **Anderson & Shah Roofing, Inc.** is certified as a MBE eligible to fulfill MBE requirements on Metropolitan Water Reclamation District of Greater Chicago ("District") contracts. Your firm is certified as of **October 1, 2007**.

It is your firm's obligation to apply for re-certification no later than **September 1, 2008**. Re-certification may be revoked if it is determined that your firm is involved in bidding irregularities, contract fraud or misrepresentation of your firm's PCE status. *An additional in-depth review will be made if your company is listed as Protected Class Enterprise on a bid document to fulfill Affirmative Action goals at the District.*

Your firm will be listed in the online edition of the District's Protected Class Enterprise Directory (MWRD.Org - "Search Vendor List"). As with the City of Chicago Certification Program, your specialty area will be shown as:

As a certified PCE, it is your obligation to promptly notify this office in writing of any changes or circumstances that affect your ability to meet ownership, size requirements and/or control of your firm. The notice must take the form of a notarized affidavit sworn to by the owner and provided within 30 days of the change. The District reserves the right to commence actions to revoke your firm's certification if this notification is not made.

Illinois law requires that all corporations secure a Certification of Authority from the Illinois Secretary of State prior to doing business in the State.

If you have any questions regarding PCE certification or District business opportunities, please contact me at 312-751-4035
