Dear Paul Shah:

The Illinois Unified Certification Program (IL UCP) is pleased to notify you that your firm has met the requirements for certification as a bona fide Disadvantage Business Enterprise (DBE) in accordance with IL UCP policies and procedures, and Title 49 Part 26 of the Code of Federal Regulations.

Your certification is approved for a period of five (5) years and will expire on 01/01/2010. In order to maintain your certification with the IL UCP, you must submit an annual update that will be sent to you at least ninety (90) days prior to the anniversary date of your certification. It is your responsibility to ensure that your certification is kept up to date by submitting the required documentation as necessary.

If there is any change in the ownership or control of your firm, you must notify the certifying agency immediately. Failure to report any of these changes to your certifying agency or violation of the rules of the DBE Program may result in the revocation of your certification or other possible legal actions as set forth by Title 49 Part 26 of the Code of Federal Regulations.

Your firm's name will appear in the IL UCP DBE directory under the category of **CONSTRUCTION** specializing in **INDUSTRIAL, COMMERCIAL AND INSTITUTIONAL ROOFING; SHEET METAL CONTRACTORS**. The directory can be accessed via the Internet at www.pacebus.com or by contacting your certifying agency.

Your participation on US DOT-assisted contracts will only be credited toward DBE goals in your firm's specific area of certification/specialty. Credit for participation in other areas requires additional proof of specialty resources, expertise and its corresponding support documentation.
